

## **Poster Presentation**

Posters inauguration will be on March 16, 2009 and will be displayed throughout the symposium.

### **Detailed Instructions for Preparing Poster**

The content of each poster should be clearly divided into sections including:

- Abstract / Summary
- Introduction
- Objectives
- Methodology
- Results
- Conclusions

Diagrams, Graphs, Data, Pictures and Text may be mounted on the 48" x 36" cork board (Provided by the Centre). Authors are requested to bring push pins for mounting the poster. No audiovisual equipment is available. Poster authors may make copies of their posters or papers for participants. Authors should be available during the Poster Session to answer questions about their work. The poster must be contained on one sheet of paper or poster cards.

**Legibility:** The poster should be readable from a distance of at least 5'.

**Heading:** A heading label including the title, author name(s), and the address should be mounted at the top of the poster.

**Titles:** All figures and tables should be titled.

**Dimensions:** The entire size of the poster material(s) is limited to 48" x 36".
